Peninsula Education Foundation

Creating Bright Futures Together

Community Report

Public Schools Need Private Support? Yes they do!

And together we can fund the gap between adequate and excellent!

There is no question that Palos Verdes Peninsula is home to some of the top performing schools in the state. Many families are attracted to our community because of the strength of our schools. It is also believed that because we have high property values and pay higher property taxes, our school district will receive larger amounts of funding from the state of California.

But the exact opposite is true. PVPUSD is nearly DEAD LAST in funding for all of LA County. Despite lobbying in Sacramento, we continue to receive less money per student than surrounding school districts. This equates to a multi-million dollar deficit that the schools face each and every year.

So that is why PEF exists. To help bridge the funding gap, concerned parents formed PEF to pay for important programs including additional teachers, library aides, music teachers, counselors, STEM programs and more. PEF, one of the oldest and most respected education foundations in California, provides the extra funding our schools absolutely need to give the best education to our children.

A Message from our President

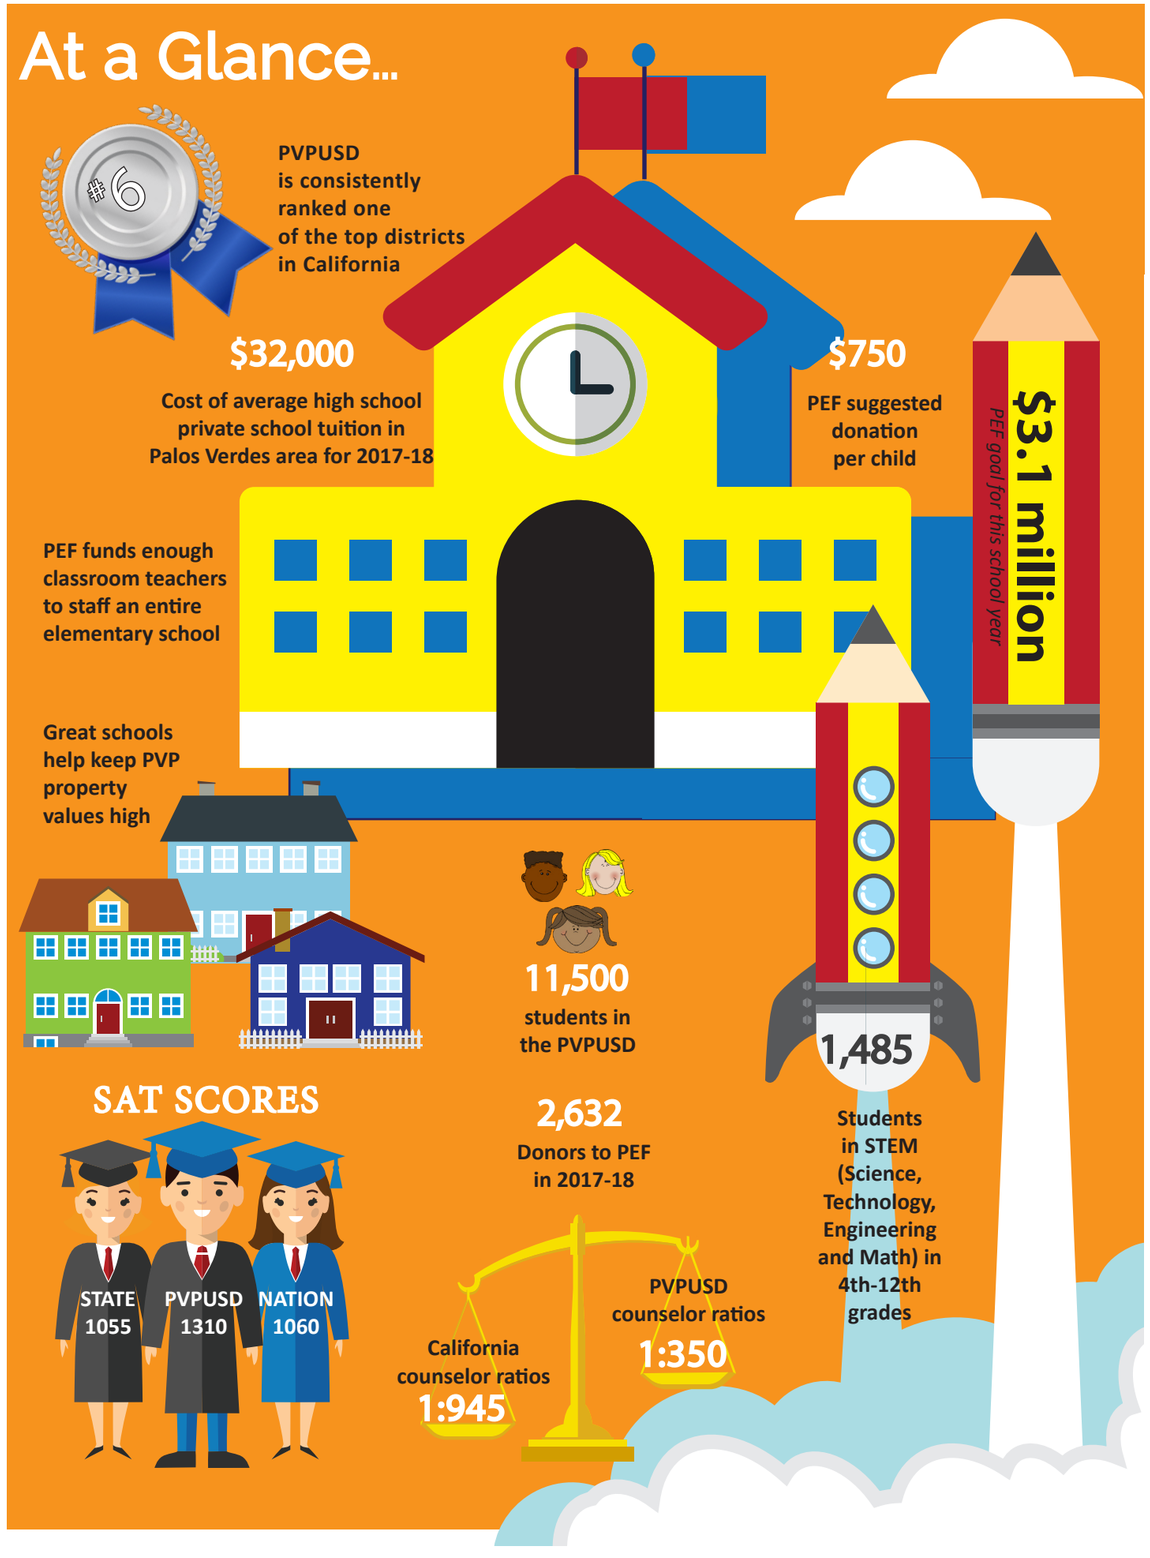
Creating Brighter Futures Together. Our theme this year depicts the collaboration between students, parents, teachers, schools, administration, school board, PTA, booster clubs, community partners, and, of course, the Peninsula Education Foundation (PEF). It takes all of us working together to provide an outstanding education for our students and to prepare them for the journey that lies ahead.

As we start our new school year, I would like to welcome all new and returning families. I encourage everyone to join us in our quest to provide essential funding for our schools, so that we can continue providing every student the most extensive education that PVPUSD offers. The contributions we secure toward our pledge have a direct correlation to how large of a toolbox we can create for all students.

This past June, my oldest child graduated from high school, allowing me to reflect on his education here in our district. I realized it wasn't just about the short-term destination (getting into college), but preparing him for life after PVPUSD. Each of the contributors mentioned above, work together to provide students with opportunities, unique programs, interests, pathways, influential mentors, etc. Many of these could not exist without the PEF funding support that is provided to our school district, yet have a profound influence on all our students.

I am truly proud to be part of a community that cares so deeply about education. A huge THANK YOU to all of our PEF supporters, and I invite those who have yet to join us to make a contribution. No other investment yields as great a return as the investment in your child's education. Help us create brighter futures together!

Shari Shigenaga, President
Peninsula Education Foundation



WHERE DOES THE MONEY GO?

District-Wide We Fund...

TEACHERS
More than $1 million of our pledge goes toward classroom teaching positions. This keeps our classrooms smaller and helps save critical teaching positions.

TEACHER GRANTS
PEF's Chuck Miller Grants are awarded to teachers to fund projects of special merit and creativity that promise a unique learning opportunity for students. Last year 36 proposals were awarded grants of up to $1,500 each.

ELEMENTARY SCHOOL

MUSIC
Music education improves math and science skills and broadens students' understanding of the world around them.

STEM PROGRAMS
Learning through fun, hands-on projects helps kids grasp engineering concepts and promotes innovative thinking.

PHYSICAL EDUCATION
It is no secret that physical activity is essential to a student's well-being and contributes to improved academic performance.

LIBRARY AIDES
School librarians help build strong students, good readers and lifelong learners.

HEALTH & WELLNESS COUNSELORS
Support specialists work with parents, administration and site staff to provide preventative support, early intervention and postvention services to students in need.

INTERMEDIATE SCHOOL

STEM PROGRAMS
Classes include Design and Modeling, Robotics, Space and Flight. These courses prepare students for our award-winning high school engineering programs.

PARENT UNIVERSITY
Unique speakers series that informs and educates parents and students on topics including internet safety, parenting issues and student wellness.

ACADEMIC/WELLNESS COUNSELORS
Specially trained counselors help students with academic needs and life issues including stress management and positive peer relationships.

HIGH SCHOOL

COLLEGE AND CAREER CENTER
This vital resource provides students information and guidance through the college application, admissions, and career-making process.

ACADEMIC/WELLNESS COUNSELORS
Academic counselors help students stay on the right track to graduate and get into college. Student to counselor ratios in California average 1:900. In the PVPUSD, student to counselor ratios average 1:350. Student support specialists work with students, families and staff to provide onsite emotion support to students in need.

STEM PROGRAMS
Award-winning engineering programs at both high schools. PVIT (Palos Verdes Institute of Technology) at PVHS and SMERT (Science, Math, Engineering, Robotics and Technology) at PVPHS.

OUR CHILDREN ARE WORTH IT!

Suggested Donations From Other Education Foundations

Suggested per child donation

La Cañada Flintridge Education Foundation $3,000 *per family*	San Marino Education Foundation $2,500	Manhattan Beach Education Foundation $1,750

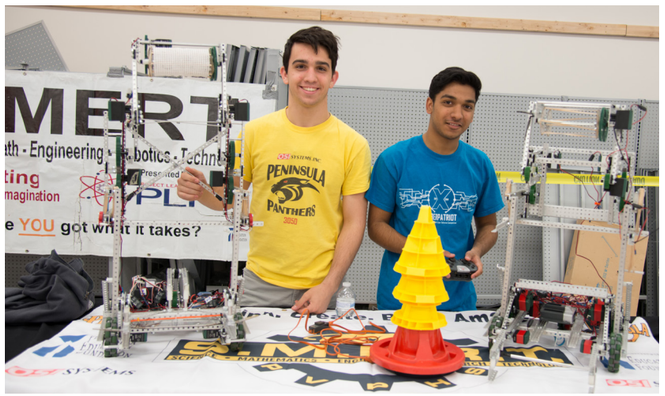
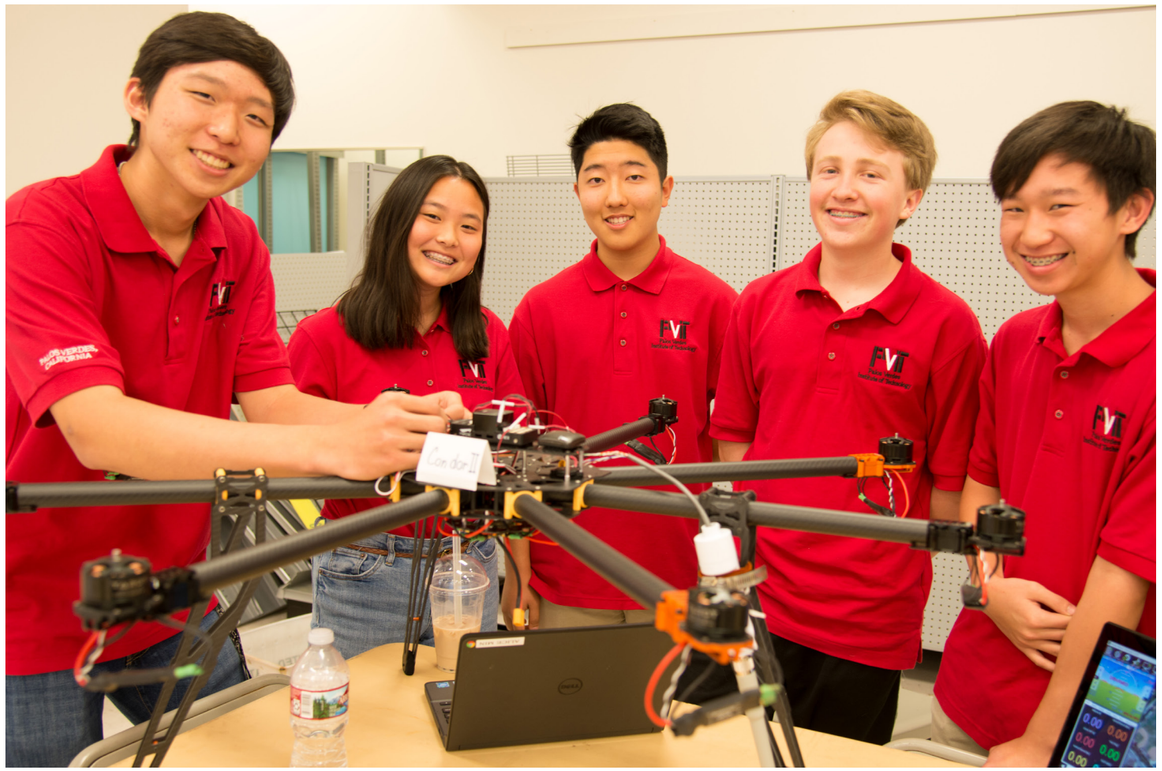
Sunrise Program	$3,000
TOTAL	**$3,090,000**

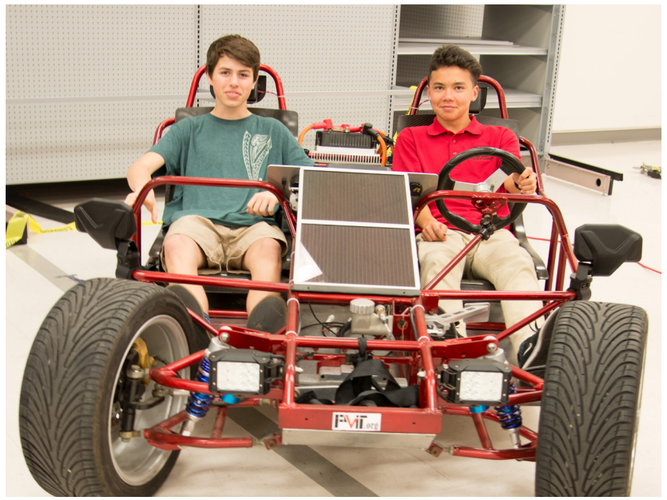
Science Technology STEM Engineering Math

STEM (Science, Technology, Engineering, and Math) is important because it pervades every part of our lives. To succeed in our information-based and highly technological society, students need to develop their capabilities in STEM.

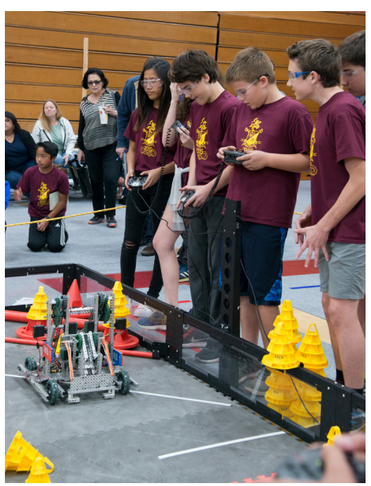
That is why PEF funds STEM programs at every school for 4th-12th graders. Elementary school students learn how to code with Ozobots kits, while middle school students are exposed to drones, robotics, programming, computer design and more.

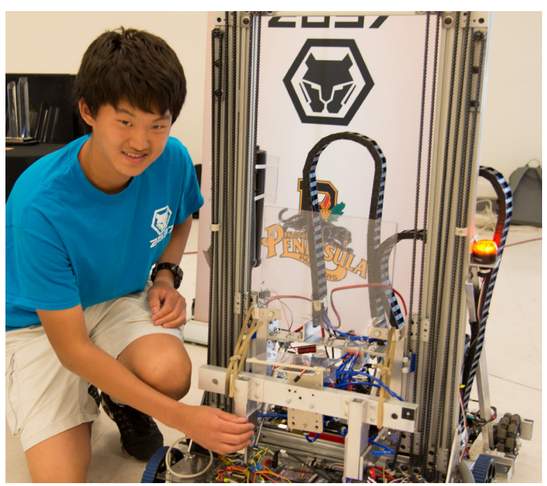




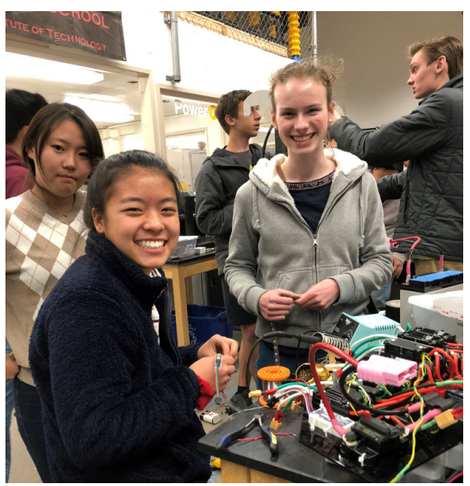


Both Palos Verdes Peninsula High and Palos Verdes High schools have award-winning STEM programs. SMERT (Science, Math, Engineering, Robotics and Technology) at PVPHS has more than 13 competition teams including the VEX Team who placed in the 2018 World Championships and the PVPHS Robotics Team (Phanthom Catz) who won the 2017 regional championship and continued on to Nationals in Houston, TX.





At Palos Verdes High School, PVIT (Palos Verdes Institute of Technology) offers hands-on training in electronic, robotics, fabrication and programming. Their competition teams continue to place in regional, state, national and international events. The First Robotics team won the Creativity Award at the 2018 Las Vegas Regional Competition. Also, the underwater robotics team came in 2nd place in the 2018 Long Beach Regionals.



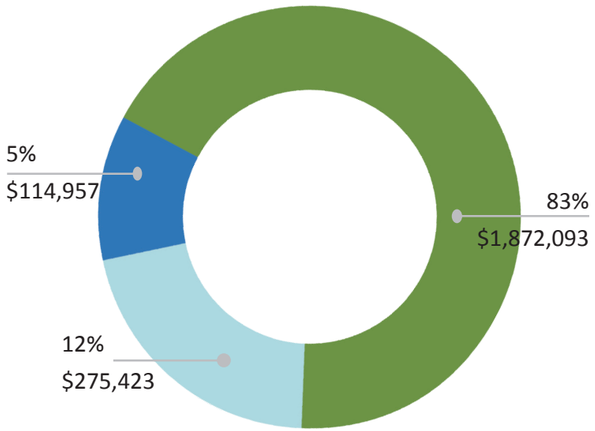
PEF FINANCIAL OVERVIEW 2016-2017

Most recent financial audit

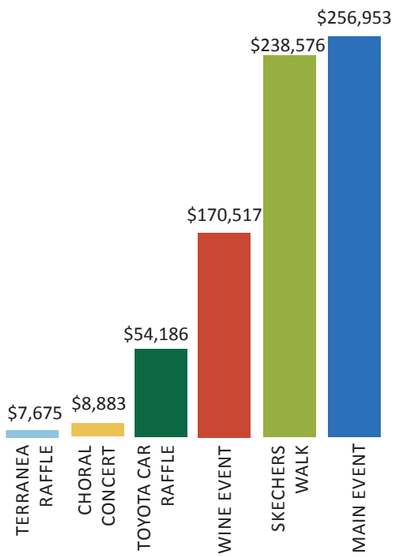
The Peninsula Education Foundation (PEF) provides additional funding to the PVPUSD to ensure our children receive an excellent education.

PEF is committed to responsible fundraising, prudent stewardship and financial transparency. Last year, PEF earned the GuideStar Exchange Gold designation from GuideStar USA and a 4-Star rating from Charity Navigator, the nation's leading charity evaluators. These ratings demonstrate PEF's deep commitment to nonprofit transparency and accountability.

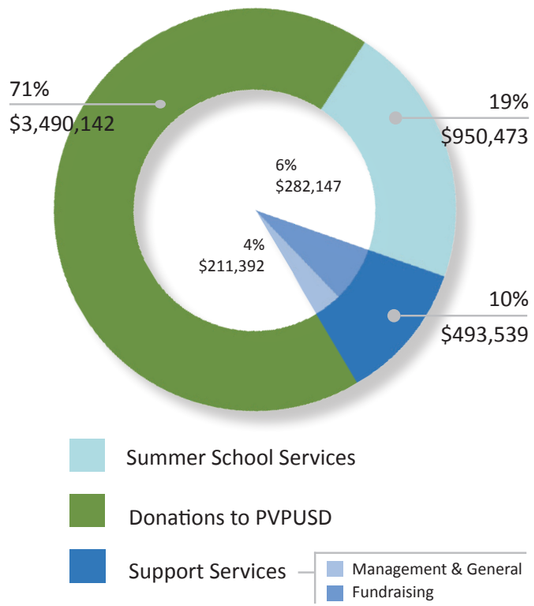
SOURCES OF CONTRIBUTIONS



EVENT INCOME 2016-17 SCHOOL YEAR



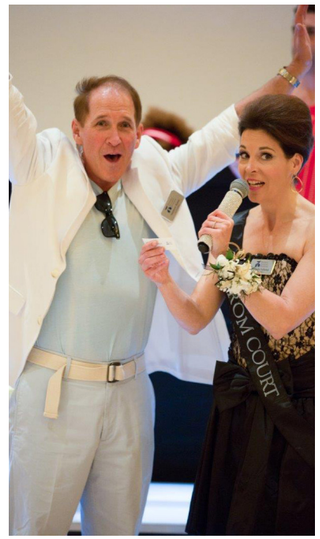
90% OF EXPENSES GO TOWARD PROGRAMS



Main Event 2018 - A Totally 80s Bash

PEF's first Main Event was held in 1980 and so it was appropriate for this year's fundraising gala to be a Totally 80s Bash! Main Event 2018, held in May at Terranea Resort, raised more than $340,00 for all 17 public schools in PVPUSD. Guests were wowed by the silent and live auctions which included a spectacular array of collectible wines, travel experiences, concert tickets and the chance to win a Lexus RX 450h or a year of dining at Terranea's Catalina Kitchen. The highlight of the evening were student musical and dance performances to showcase the very people PEF supports in our district.

PEF counts on a strong Main Event to make its pledge to the district and invites all school parents and non-school community members to join in each year uniting to support all PVPUSD schools from elementary to high school. It is always a memorable night out spent with old and new friends!



Skechers Friendship Walk

For the past
8 years,
you have put on
your socks and shoes
and helped raise
$1,278,000
for our children
and PVP schools!

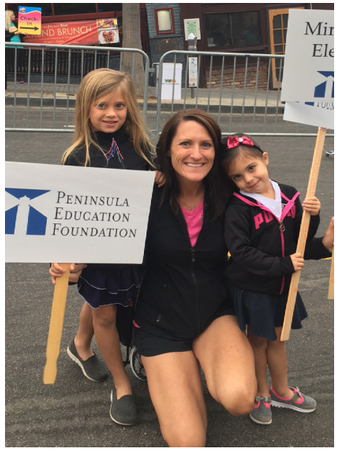
Looking back at our first year of participation in the Skechers Friendship Walk in 2009, we are amazed how this event has grown into an annual community tradition.

The 3-mile pier to pier walk on the beach is a highly-anticipated family event continuing to motivate thousands to take part and contribute to vital causes...education and children with special needs.

Each year we have more walkers than any other local school district. Because of your participation, we are able to raise much needed funds that help us reach our annual campaign goal.

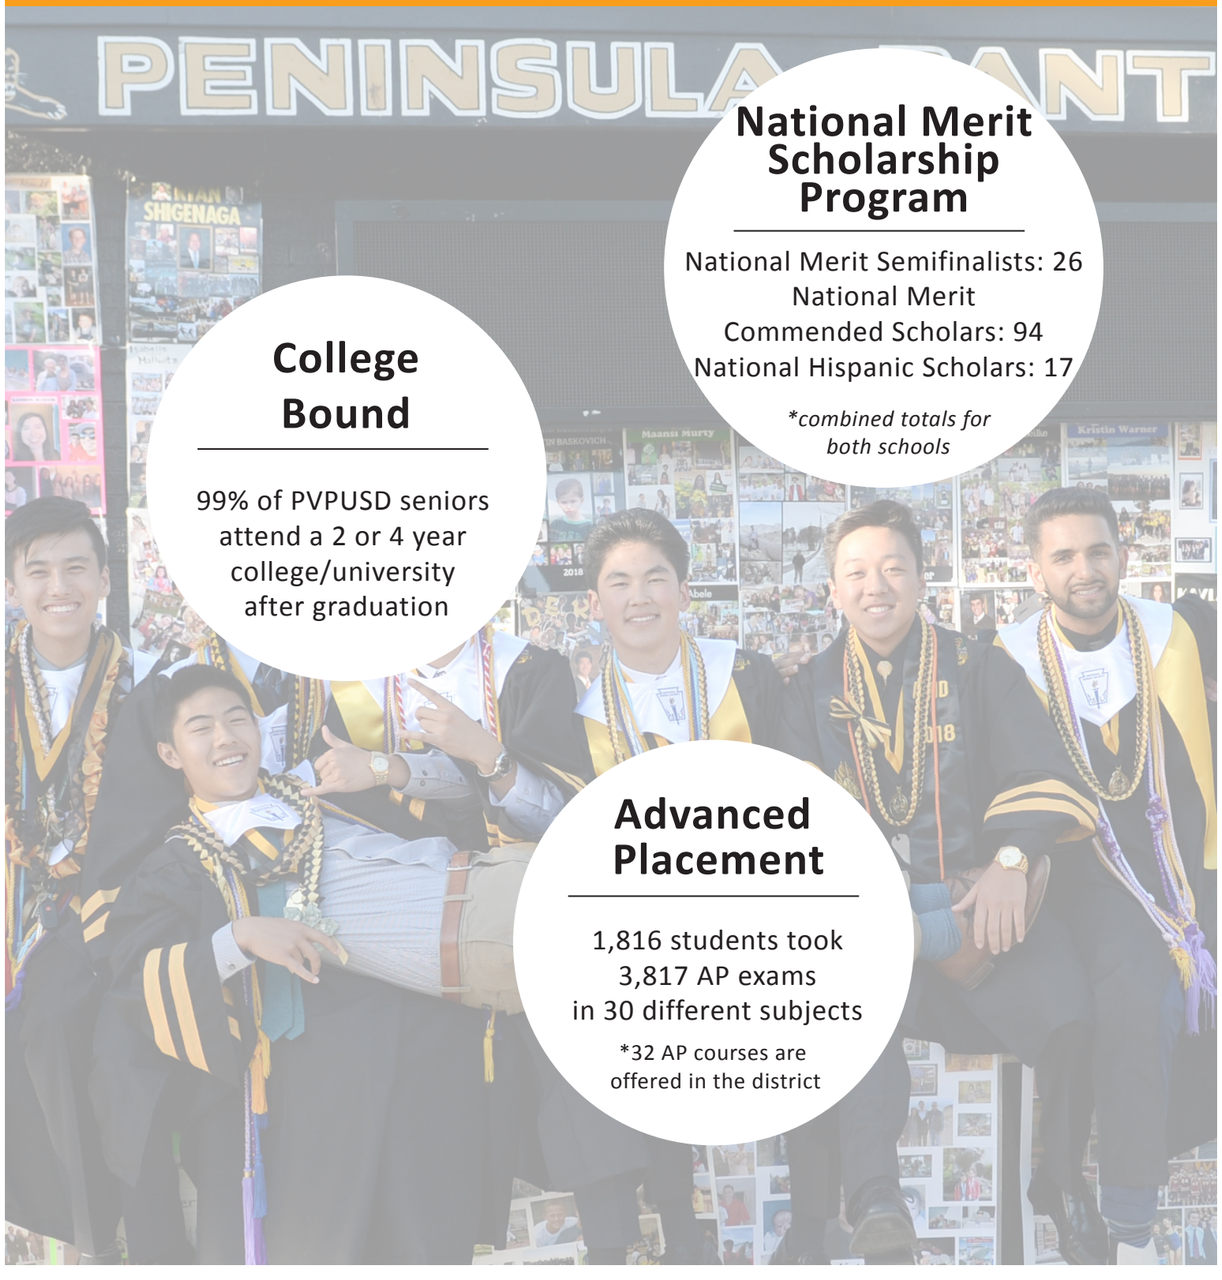
We can achieve amazing things by working together!

This year's Skechers Walk is on Sunday, October 28, 2018. We hope to see you there!



OUR GRADUATES SOAR...

Peninsula High School and Palos Verdes High School are continuously recognized as exemplary schools at local, state and national levels. Our students are well-equipped with academic skills to pursue their unique pursuits and dreams.



National Merit Scholarship Program

National Merit Semifinalists: 26
National Merit
Commended Scholars: 94
National Hispanic Scholars: 17

**combined totals for both schools*

College Bound

99% of PVPUSD seniors attend a 2 or 4 year college/university after graduation

Advanced Placement

1,816 students took
3,817 AP exams
in 30 different subjects

*32 AP courses are offered in the district

In addition to supporting teachers' salaries, PEF also awards annual teacher grants.

PEF's Chuck Miller Teacher Grants are awarded to PVPUSD teachers to fund projects of special merit and creativity that promise a unique learning opportunity for students. This year, 36 grants helped provide classrooms with robotic kits, models of the human body, new science textbooks, tools to enhance Spanish language learning, lab equipment for high school chemistry and marine biology classes and much more.

Our teachers engage minds, enrich learning and promote innovation. Congratulatons to our 2017-18 Chuck Miller Teacher Grant winners!

STRONG SCHOOLS AND STRONG COMMUNITIES

Students and families can be extremely proud of PEF's group of real estate professionals who year after year support our outstanding school district by being part of the **PEF Real Estate Honor Roll.** They realize the reason so many people choose to live in Palos Verdes is because of our award-winning, highly-rated schools – all 17 of them across the Peninsula. They consistently donate their resources knowing it helps create well-rounded and successful students who are prepared to be ambitious future employees of tomorrow.

Betty Lin Peterson, a PEF Real Estate Honor Roll member since her own children became part of the PVPUSD, said, "The success of our school district has always been a driving force for people to move into the Palos Verdes Peninsula. As a parent, it readies my children for their future. As a realtor, it contributes to our high property values and protects them from real estate's ups and downs. As the Mayor of the City of Palos Verdes Estates, I understand first-hand how our city relies on property taxes to fund its operations. As a past PTA President and being a part of the budgeting process for the past few years, I know how cash-strapped our schools are all due to an archaic funding formula.

"I donate to PEF and joined the Real Estate Honor Roll as a Major Donor because I see the importance of investing in our children's education and supporting PVPUSD, and because having a great school district goes hand in hand with our property values and the sustainability of our city."

Betty Lin Peterson of Keller Williams South Bay, is a proud member of PEF's Real Estate Honor Roll. She is pictured here with her husband John and their children, Andrew and Nathan.

PEF invites you to take a moment to thank each of these members for their dedicated and long-time support of your students.
