

PENINSULA EDUCATION FOUNDATION DONOR FORM

Annual Fundraising Goal: \$1.5 Million by June 2009

With your help, we saved our teachers' jobs and retained small class sizes. Thank you! Now, please help us with our annual fundraising for the PVPUSD to maintain these important programs. Donating today helps keep these services and support staff in our schools. Your donation supports these vital programs and staff:

At every level, k – 12:

- **Librarians and Library Staff** – essential for teaching research skills and nurturing a lifelong love of reading.
- **Technology staff support** – keeps our computers running on a daily basis and helps teachers with troubleshooting
- **Edline Staff Support** – helps teachers and parents with this important communication tool

At every elementary school:

- **Elementary choral and classroom music** – found in very few public schools these days
- **4th and 5th grade P.E.** – for healthy habits that last a lifetime

At every intermediate school:

- **Safe schools counselors** – keeping kids safe and in communication with the caring adults in their lives

At every high school:

- **High school academic counselors** – helps keep student/counselor ratios low with more counselors
- **College Career Center counselors** – assists with college searches as well as college financial aid resources
