

Your Donation Makes a Difference

Our PVP schools are the pride of our community.

The PVPUSD is consistently ranked among the highest achieving school districts in California and our high schools are ranked in the top nationwide. Despite this record of success, the state doesn't provide our District enough funds to maintain the type of education you've come to expect for your child.

The Peninsula Education Foundation, (PEF), a non-profit organization dedicated to supporting our schools has pledged to raise \$3 million to help pay for essential programs and teaching positions this 2013-2014 school year.

Please consider a donation of \$500 or more per child. It takes everyone's support to keep our schools great. Visit www.pvpef.org to donate today or print this form and return at registration. Thank You!
