Great Education!*

 PENINSULA
EDUCATION
FOUNDATION

MEET OUR BOARD PRESIDENTS

At the Peninsula Education Foundation, we believe there is just ONE chance to provide a great education for your child. As such, we are committed to raising funds to ensure PVPUSD has sustainable resources to provide the highest quality education now and for future generations. Our pledge to the district this school year is \$3.5 million. We could not fulfill this pledge without our strong team of volunteers, which includes but is not limited to PEF Trustees, PEF representatives, PTA & Booster Club members, teachers, principals, countless parents and students who all work hand in hand to meet ONE common goal.

Each year the need for program support continues to increase, yet our district still does not receive adequate funding from Sacramento to provide the world class education we all want for our children. PEF's \$3.5mm pledge helps to fill that gap.

We need everyONE's help to meet our pledge this school year. Your ONE donation to PEF will make a significant difference to your child's education. If we can all come together as ONE community, we can continue to fill the gap in funding and keep our schools great. The suggested PEF donation per child is \$750 or a meaningful amount to your family. We know that many of us live in Palos Verdes because of the schools. We are so very fortunate that our public schools are as good as, if not better than, many private schools. Supporting PEF is a drop in the bucket

compared to private school tuition. Heck, it's even a bargain compared to preschool tuition. Please join us in keeping our schools great. WE have ONE chance. YOUR child has just ONE chance at a world class education. Let's all do what we can together to give each and everyONE of our children a great education!

Michelle Fullerton and Matthew Rener, Co-Presidents, Peninsula Education Foundation Board of Directors

A LETTER FROM OUR EXECUTIVE DIRECTOR

At PEF we are so very grateful for those who support our efforts to raise funds for our school district so that critical teaching positions, music, STEM and other support programs can be maintained and our children can continue to receive a world class education.

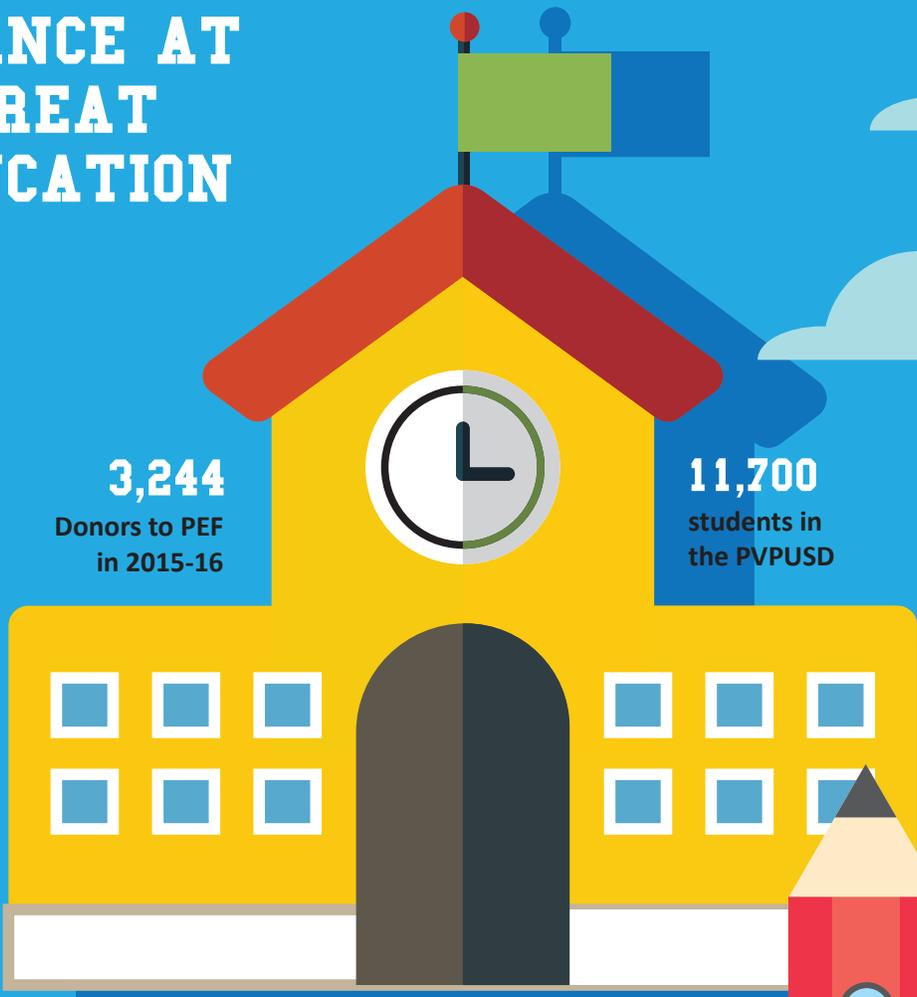

Last month we presented the school district with a check for our full pledge of \$3.4 million dollars. We reached our goal through everyone's support. Whether you gave an individual donation, had your company give a matching gift, attended one of our events, or a combination thereof, it is only with your help that we are able to make this happen each year. In the 2015-16 school year, we had a wonderful time working towards our goal. A record number of enthusiastic families supported our schools this past fall at the Skechers Friendship Walk. I look forward to setting another new record this year on October 23rd!

Our Saturday Night Live themed Main Event was not only a huge success, but it was incredibly fun to see so many of you attend dressed as your favorite SNL characters. We had an anonymous donor match new donor contributions during the spring and many families stepped up to that generous challenge. In March, we also received the proceeds from a marvelous event put on by the Select Strings Foundation that included an all-star lineup of musicians at the Classic-To-Rock event.

At PEF we are excited about what the new school year has in store. We have increased our pledge to the district and are ready to work with everyone in our community to help keep our schools great. We are ONE community and every ONE of us can make a difference!

Christine Byrne, Executive Director, Peninsula Education Foundation

WHAT DOES PEF FUND

DISTRICT WIDE:

MORE TEACHERS!

\$1.3 million of PEF's \$3.5 million pledge goes toward classroom teaching positions.

SCHOOL SITE TECH SQUAD (NEW)

See below to learn more.

TEACHER GRANTS!

PEF's Chuck Miller Grants allow teachers to receive funds to offer projects, technology, and educational materials that promise a unique learning opportunity for students. Classroom teachers in the PVPUSD are eligible to apply. Last year, 33 teachers were awarded grants of up to \$1,500 each totaling \$35,000.

ELEMENTARY SCHOOL

Music: It's important to put music in our students' hands (and minds) early and often. Early music education helps improve math performance.

STEM Program (grades 4-5): Learning through fun, hands-on projects helps kids grasp engineering concepts.

Physical Education (K-5): The P.E. program uses the SPARK curriculum, which is active, highly inclusive, and more fun than traditional P.E. classes.

Library Aides: Keep our elementary libraries open and accessible.

INTERMEDIATE SCHOOL

STEM: Classes include Design and Modeling, Robotics, Space and Flight. These courses prepare students for our district's award winning high school engineering programs.

Safe Schools Counselors: Specially trained counselors help middle schoolers with difficult life issues, bullying prevention programs, drug/alcohol abuse prevention programs, and more.

Parent University: Informs and educates parents on a variety of topics including digital citizenship, parenting techniques, and more.

HIGH SCHOOL

Academic Counselors: Three additional per campus. PVP schools enjoy one of the best student to counselor ratios in the state.

College & Career Center: An incredible resource for high school students. Information on internships, college admissions and application process, and career information.

STEM Programs: Award winning engineering programs at both high schools. PVIT (Palos Verdes Institute of Technology) at PVHS and SMERT (Science, Math, Engineering, Robotics and Technology) at PVPHS.

PEF SUPPORTS SCHOOL SITE TECH SQUAD

The mission of the Peninsula Education Foundation is to engage and inspire our community in support of student success in our local schools.

PEF supports programs and positions that keep our schools among the best in the nation and the state. To do that in the 2016-17 school year, we have increased our pledge to the school district to \$3.5 million.

The additional funds in our pledge will be used to support "The PEF School Site Tech Squad." By increasing needed hours for technology specialists at all school levels, we can meet continually expanding technological demands

and keep essential technology working for our children at each school site. An increase in

technology hours frees our teachers to teach rather than spend precious instruction time on technology related issues.

When PEF asked Trent Bahadursingh, Assistant Superintendent for Technology and Support Services at PVPUSD, how the increase in hours will impact our schools, he stated: "This will have a significant impact on both the teaching and learning environment across the curriculum for students and teachers alike. Technology is a part of everything we do in our schools."

Keep an eye out for the PEF School Site Tech Squad Specialist on your child's campus this fall!

PEF PLEDGES \$3.5 MILLION THIS 2016-17 SCHOOL YEAR

PEF has increased our pledge to the district by 40% in the past 5 years without increasing our suggested donation amount. This year we have increased that suggestion from \$500 per child to \$750 per child. Although we have increased the amount this year, this is merely a suggestion. The important thing is that we are working as ONE to keep our schools strong and ensure the best possible education for our children and future generations.

Education Foundations are beginning to raise more and more for their respective school districts, and suggested donation amounts are on the rise. Still, PEF has one of the lowest suggested donation amounts in academically comparable districts.

PEF's DONOR APPRECIATION FOOD & WINE FEST

Every year, the Peninsula Education Foundation hosts a donor appreciation reception to acknowledge and thank donors who have given \$1,500 or more during the school year. Join us for this casual and complimentary food and wine tasting party that will be held at Trump National Golf Club on Thursday, November 17, 2016. Just donate \$1,500 to PEF before November 10th!

PEF's Food & Wine Fest is a great way to get to know local restaurants and sample a variety of menu items. With 17 participating restaurants last year, there was something for everyone to enjoy from Mexican to Italian to American Bistro and more. In years past, restaurants have also brought an assortment of celebratory libations including sangria and margaritas, along with mouth-watering desserts.

This event is always enjoyed by all who attend and we've already started planning for another evening of scrumptious food, lasting memories, and great company. Watch your email for a list of participating restaurants soon!

PEF's Food & Wine Fest is also the time we honor our Chuck Miller Teacher Grant recipients. Last year PEF awarded over 30 grants to teachers for classroom projects throughout the district including elementary, middle school and high school. This year we look forward to recognizing the recipients for 2016-17.

Thank you to Trump National Golf Club and Cafe Pacific for donating their beautiful location and their delicious food.

WHY DO I SERVE AS A TRUSTEE ON PEF's BOARD?

*Penny Delgadillo-Valencia,
Trustee since 2015*

Having moved to the PVPUSD three years ago, I quickly realized this community was special. I became a PEF Trustee after seeing how much they work to help make our schools the best in the nation. The programs that PEF provides help support our children at every stage of their education.

*Shari Shigenaga,
Trustee since 2014*

My job as a parent is to ensure that my children have the best education and opportunities possible. Every PEF Board Member is also a parent, who has a vested interest in ensuring the success of our children, schools, and community. It's rewarding to serve on a board that makes such a positive impact on our children's education.

*Becky Gallo
Trustee since 2013*

I became a PEF Trustee after attending my first back-to-school night when my daughter was in Kindergarten. Susan Hay, a Trustee and parent, gave a memorable speech. I thought, "Wow, this is an important organization and a no brainer to support." Five years later, I joined the board!

THE REAL (ESTATE) VALUE OF GREAT PUBLIC SCHOOLS

Palos Verdes is a beautiful place to live. The colorful peacocks, the magnificent horses, the ocean views; it's all great. But what attracts families with school-age children? It's the reputation of our schools!

Our highly rated PVPUSD schools have a direct effect on the value of our homes. According to Redfin.com, people pay \$50+ more per square foot for homes in top-rated school zones compared with homes in other areas. For a 2,000 sq ft home, that's an additional \$100,000 or more in value.

PVP schools are one of our community's greatest assets. Supporting our schools is an investment in our children and a sound real estate investment. In real estate, everyone knows the old adage: location, location, location; but what really provides investment returns is education, education, education!
