FOUNDATION

A MESSAGE FROM OUR BOARD PRESIDENTS

Welcome new and continuing families in the PVPUSD and Palos Verdes community members and supporters. We are proud to share with you the accomplishments of what a community can do when it unites in a common cause. We both share a love of our public schools and heeded the call to action to help as soon as we brought our first children to kindergarten.

At that time, PEF was asking for a dollar a day to fill the funding gap that our schools face each year when they open the doors in the fall. Since then, due to state funding shortfalls, the gap has widened and PEF has stepped in to fund more programs and teaching positions, so the ask has increased a bit. It is still lower than many similar communities. We invite you to join your neighbors and fellow parents to unite in this common cause to keep the programs we each cherish so much.

We both had the pleasure of gathering the founders, past presidents, and past trustees of PEF this year and were honored to hear their stories of working for our children since PEF began 38 years ago. Parents, alumni parents and community members who value what this award-winning district provides for your student, grandchild or community at large, we ask you to join us as we open the doors again this year and pledge to the district to fill that gap. We choose not to wait for the state to correct the issues we face. It takes each of us, with a lot of help and hard work, to meet the goal each year. We would love for you to be a part of the continued success of what PEF does for your student and your community.

We thank you for your commitment to education this past year. We continue to be inspired by your hard work, creativity, energy and dedication of time and personal resources to help keep our schools stellar.

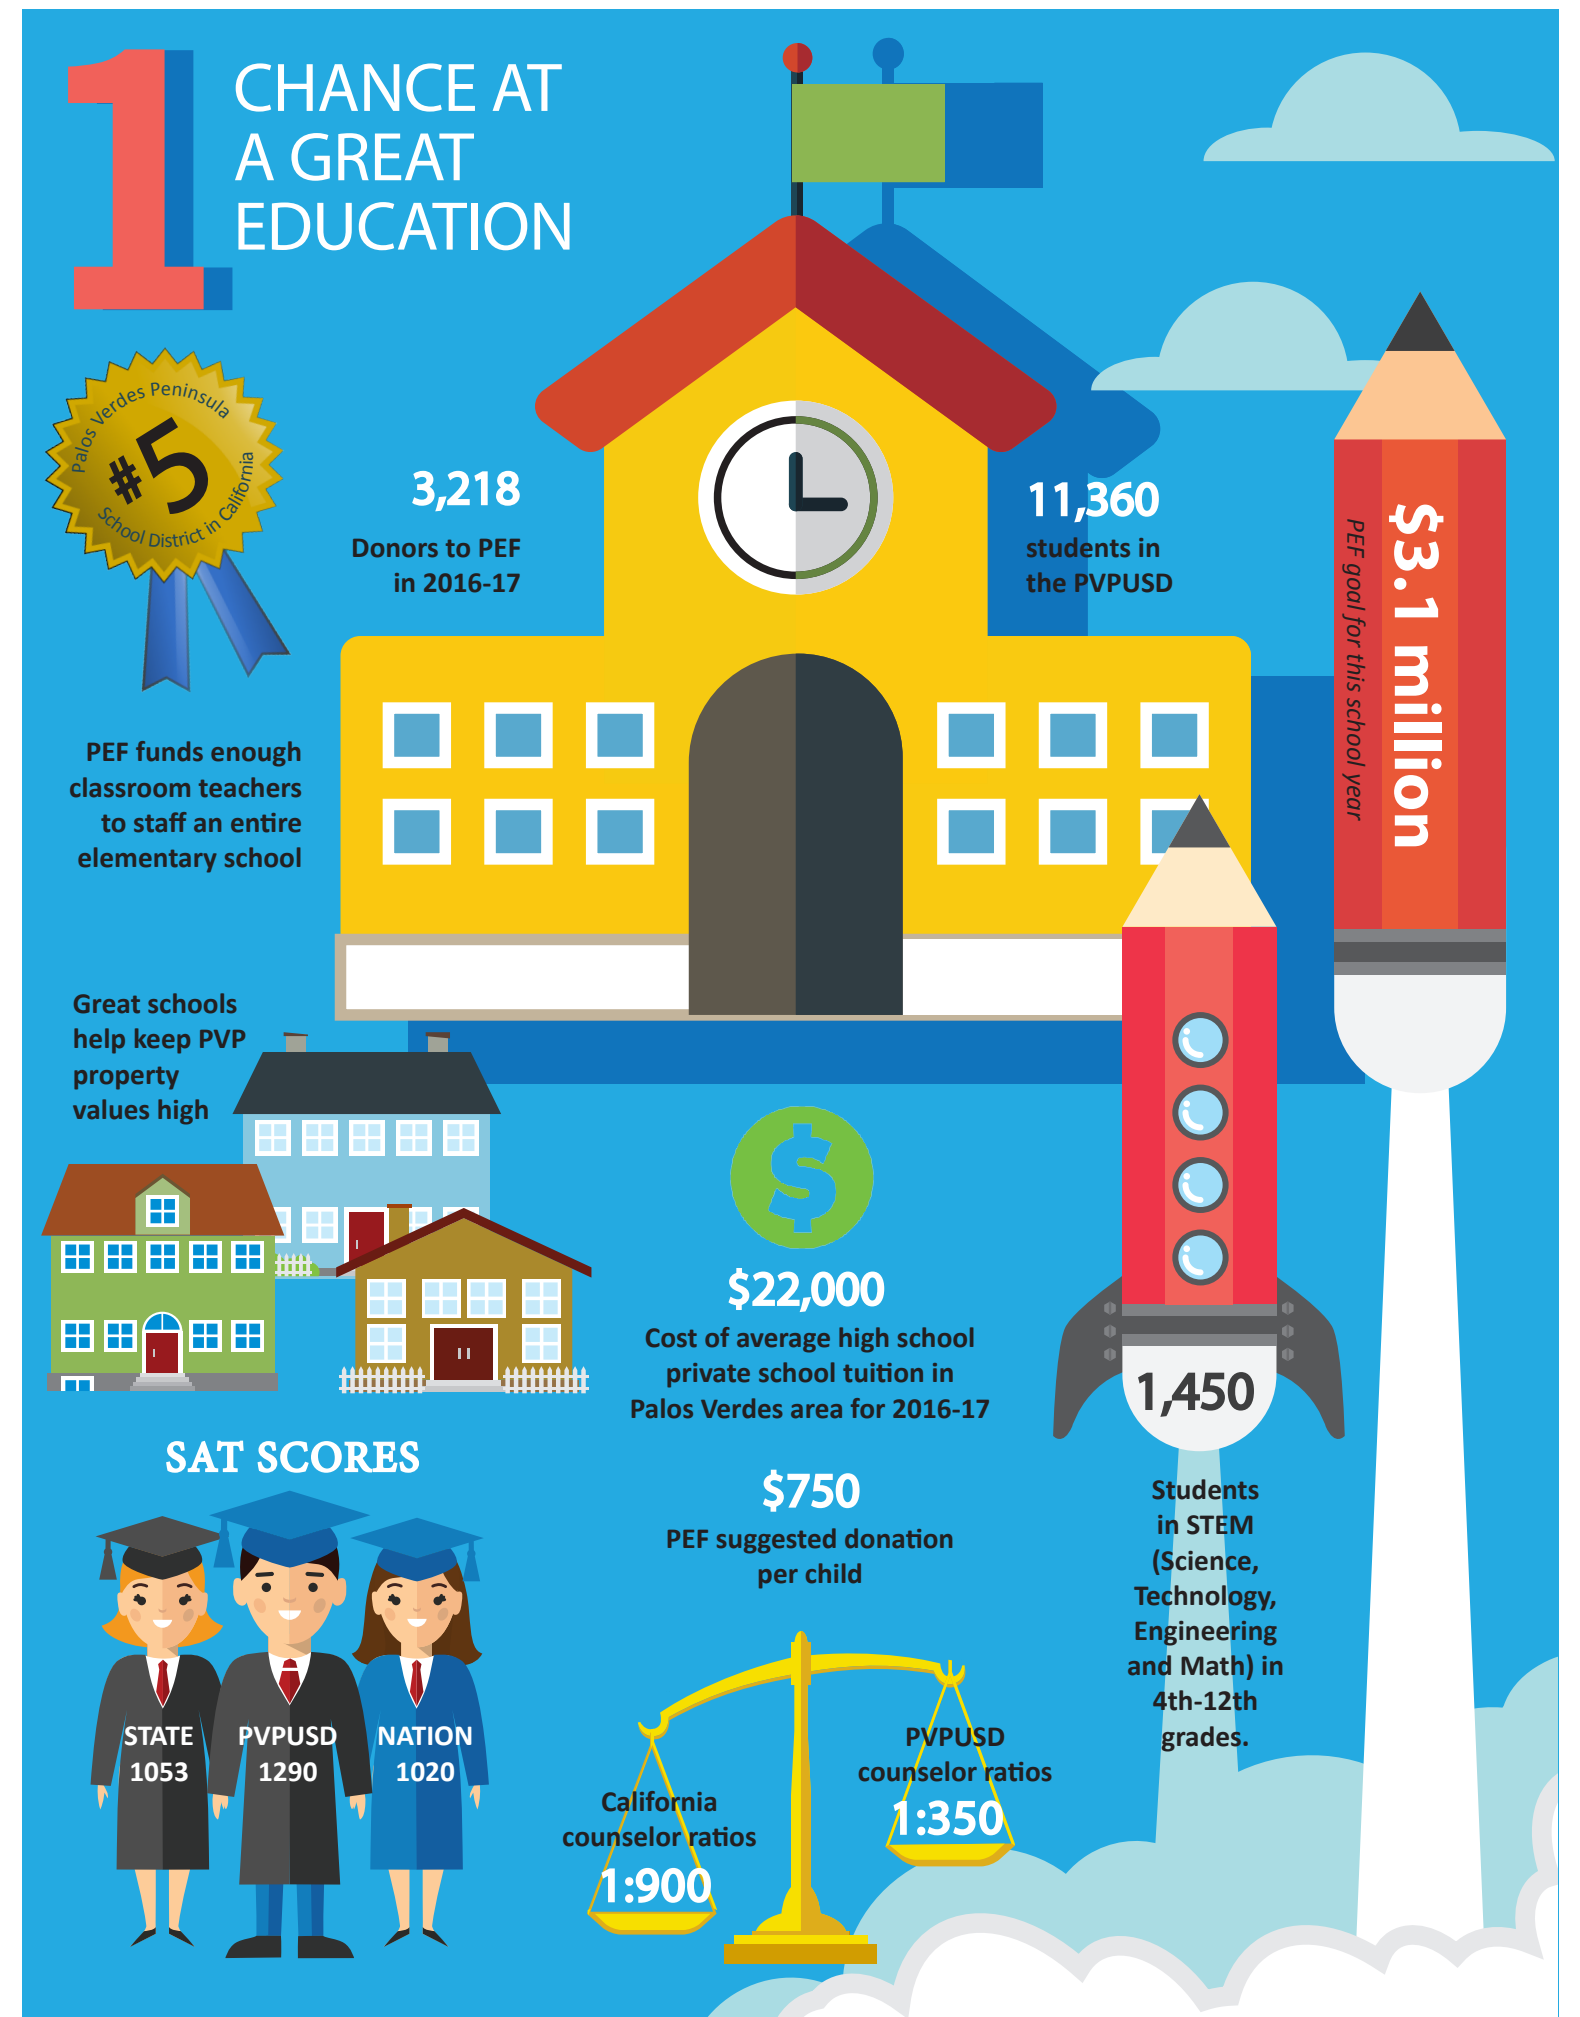

Michelle Fullerton and Matthew Rener, Co-Presidents
Peninsula Education Foundation Board of Directors

WHY DO PUBLIC SCHOOLS NEED PRIVATE SUPPORT?

There is no question that the Palos Verdes Peninsula is home to some of the top performing schools in the state. Many families are attracted to our community because of the strength of our schools. It is also believed that because we have high property values and pay higher property taxes, our school district will receive larger amounts of funding from the state of California. But the exact opposite is true. In California, the wealthier school districts often receive the lowest amounts of money, whereas lower-income districts receive higher levels of funding.

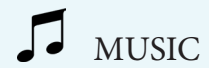

That is why PEF exists. To help bridge the funding gap, stake holders formed education foundations to pay for important programs including additional teachers, library aides, music teachers, counselors, STEM programs and more. PEF, one of the oldest education foundations in California, provides the extra funding our schools absolutely need to give the best education to our children.

STAY CONNECTED

WHAT DOES PEF FUND?

Elementary School

MUSIC

Music education improves math and science skills and broadens students' understanding of the world around them.

LIBRARY

School librarians help build strong students - good readers and lifelong learners.

STEM PROGRAMS

Learning through fun, hands-on projects helps kids grasp engineering concepts and promotes innovative thinking.

PHYSICAL EDUCATION

It is no secret that physical activity is essential to a student's well-being and contributes to improved academic performance.

Intermediate School

STEM PROGRAMS

Classes include Design and Modeling, Robotics, Space and Flight. These courses prepare students for our award-winning high school engineering programs.

PARENT UNIVERSITY

Unique speakers series that informs and educates parents and students on topics including internet safety, parenting issues and student wellness.

SAFE SCHOOL COUNSELORS

Specially trained counselors help middle schoolers with life issues including stress management, drug/alcohol abuse prevention programs, internet safety and peer resolution.

High School

COLLEGE AND CAREER CENTER

This vital resource provides students information and guidance through the college application, admissions, and career-making process.

STEM

Award-winning engineering programs at both high schools. PVIT (Palos Verdes Institute of Technology) at PVHS and SMERT (Science, Math, Engineering, Robotics and Technology) at PVPHS.

ACADEMIC COUNSELORS

Academic counselors help students stay on the right track to graduate and get into college. Student to counselor ratios in California average 1:900. In the PVPUSD, student to counselor ratios average 1:350.

District-wide We Fund...

TEACHERS:

More than \$1 million of our pledge goes toward classroom teaching positions. This keeps our classrooms smaller and helps save critical teaching positions.

SCHOOL SITE TECH SQUAD:

These vital technology specialists are at all school sites. They meet the ever-expanding technological demands that allow our teachers to focus on classroom instruction.

TEACHER GRANTS:

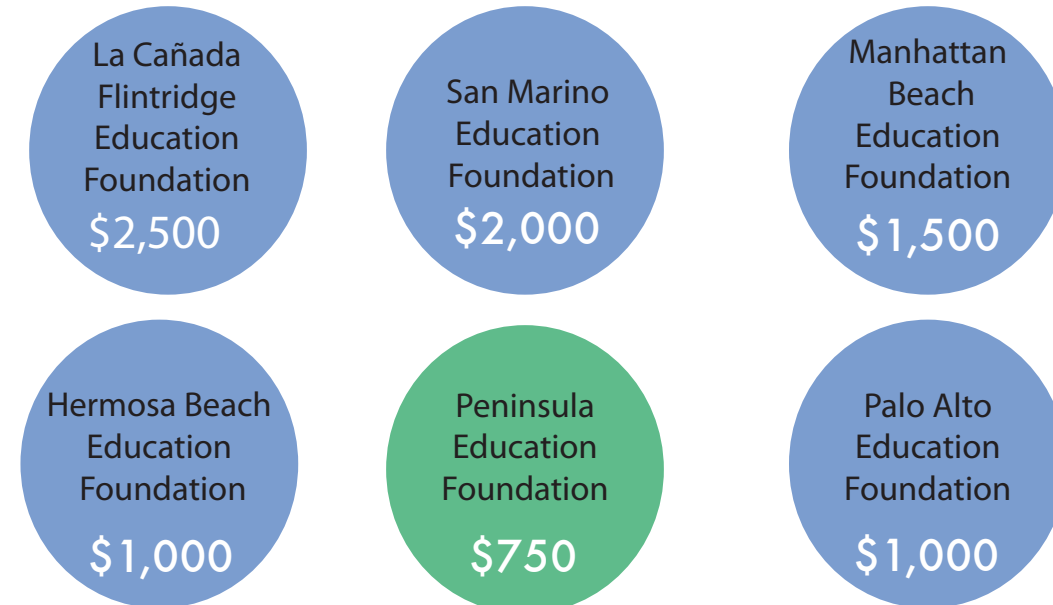

PEF's Chuck Miller Grants are awarded to teachers to fund projects of special merit and creativity that promise a unique learning opportunity for students. Last year 35 teachers were awarded grants of up to \$1,500 each.

OUR CHILDREN ARE WORTH IT!

Suggested Donations From Other Education Foundations

Suggested per child donation

YOUR SUPPORT IS CRUCIAL TO THESE PROGRAMS

DISTRICT-WIDE

Teaching Positions District-Wide	\$1,150,000

Senior Scholarships	\$3,000

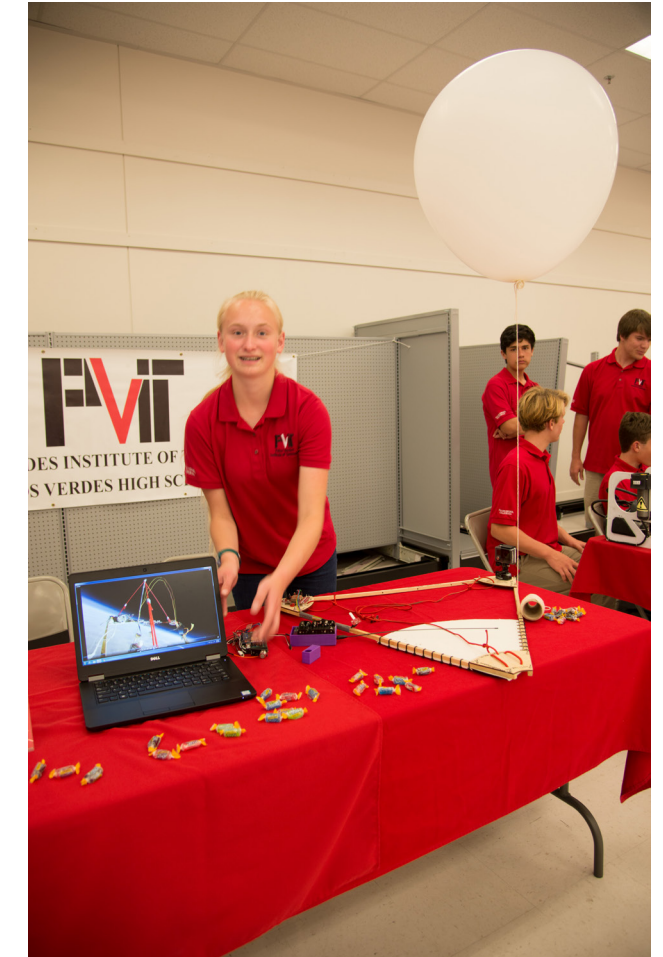

OTHER

Rancho Del Mar High School	\$8,500
Sunrise Program	\$3,000

TOTAL

\$3,090,000

Science • Technology **STEM** Engineering • Math

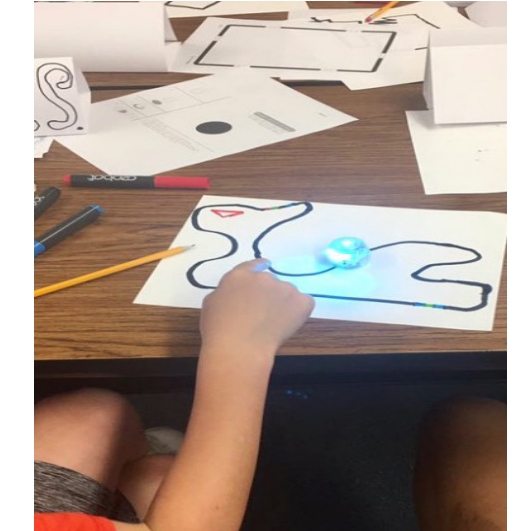

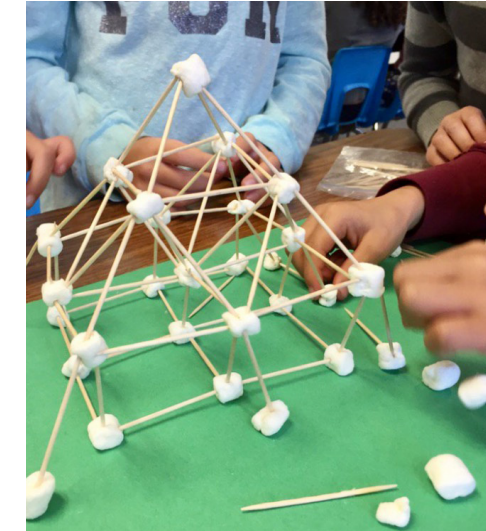

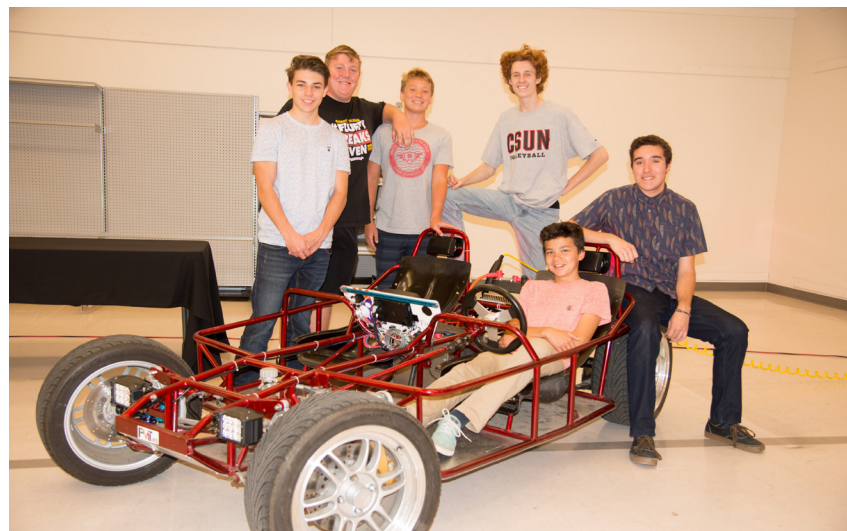

STEM education is vital in our children's curriculum. It creates critical thinkers, increases science literacy and empowers the next generation of innovators.

That is why PEF funds STEM programs at every school for 4th-12th graders. Elementary school students learn how to code with Ozobot kits, while middle school students are exposed to drones, robotics, programming, computer design and more.

Both Palos Verdes Peninsula High and Palos Verdes High schools have award-winning STEM programs. SMERT (Science, Math, Engineering, Robotics and Technology) at PVPHS has more than 13 competition teams including the VEX Team who placed in the 2017 World Championships and the PVPHS Robotics Team (Phantom Catz) who won this year's regional championship and continued on to Nationals in Houston, TX.

At Palos Verdes High School, PVIT (Palos Verdes Institute of Technology) offers hands-on training in electronic, robotics, fabrication and programming. Their competition teams continue to place in regional, state, national and international events. The PVHS Underwater Remotely-Operated Vehicle Robotics Team won 1st place in Southern California which qualified them for international competition.

PEF FINANCIAL OVERVIEW 2015-2016

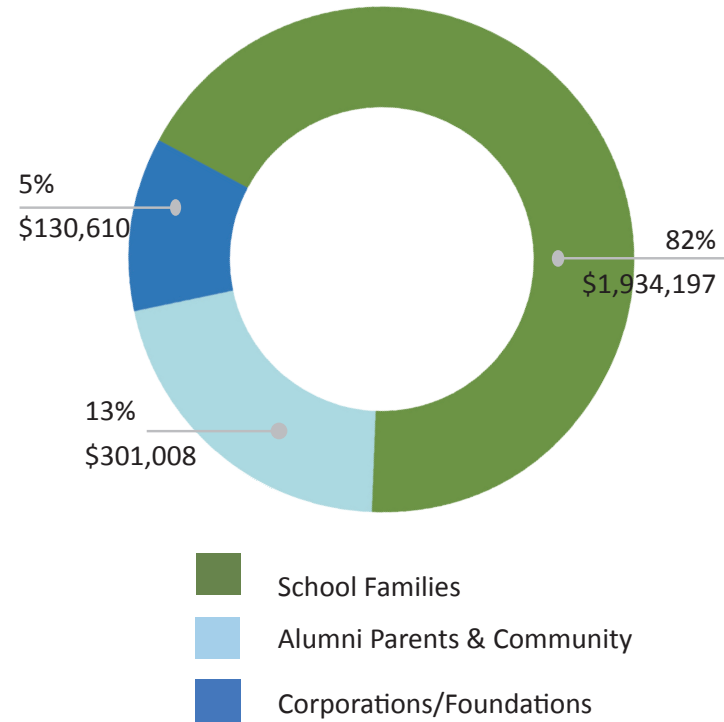

Most recent financial audit

The Peninsula Education Foundation (PEF) provides additional funding to the PVPUSD to ensure our children receive an excellent education.

PEF is committed to responsible fundraising, prudent stewardship and financial transparency. Last year, PEF earned the GuideStar Exchange Gold designation from GuideStar USA and a 4-Star rating from Charity Navigator, the nation's leading charity evaluators. These ratings demonstrate PEF's deep commitment to nonprofit transparency and accountability.

SOURCES OF CONTRIBUTIONS

MAIN EVENT 2017

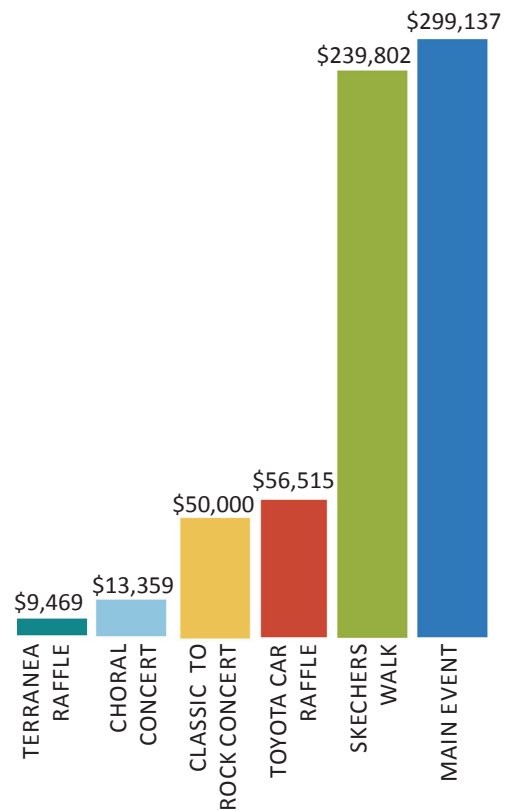

PEF's 35th annual Main Event at Terranea Resort was a great success raising approximately \$319,000 for PVPUSD schools. Guests wore elegant whites to capture a mood as though they were whisked off to the coast of Spain to the island of Ibiza. The highlight of the evening was student musical, dance and robotic performances showcasing the very kids PEF supports.

Guests were wowed by the silent and live auctions which included a spectacular array of collectible wines, travel experiences, concert tickets and much more.

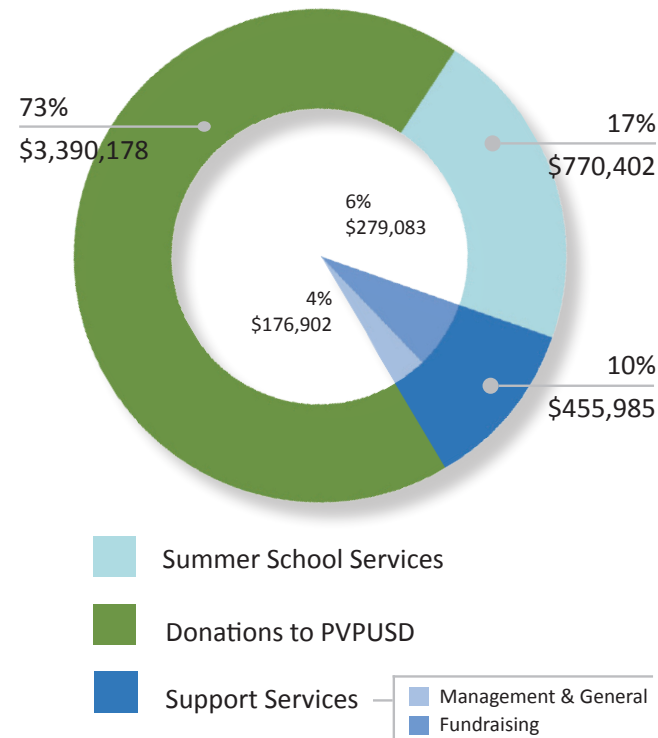

We appreciate the amazing community support we receive each year. We couldn't do it without you!

Sam Goldberg Award Winners Susan and Adam Carroll

Every year PEF presents the Sam Goldberg Award to an individual or organization in recognition of exceptional volunteer efforts in support of the youth of the Palos Verdes Peninsula. The eponymous award is named after the very first president of PEF in 1979. This year's recipients are Susan and Adam Carroll.

As soon as the Carrolls moved to Palos Verdes with their two children they became generous and dedicated PEF supporters. Former Manhattan Beach residents, Susan and Adam were the founders of the very successful Wine Auction for the Manhattan Beach Education Foundation. Lucky for us, they brought their talents and commitment to education to Palos Verdes and became the driving force behind PEF's first Wine Event, which has raised nearly \$500,000 since its inception in 2013.

For many years, Susan has been a member of Sandpipers, a women's volunteer organization serving the needs of the South Bay community through charitable and philanthropic programs. Recognizing a need for more volunteer opportunities for mothers and daughters, Susan also founded and served as the first president of the Palos Verdes Chapter of National Charity League.

Adam serves on the board of the Friendship Foundation, a non-profit organization dedicated to making a difference in the lives of youth with special needs through social and recreational activities at home, school and in the community. Recently, Susan and Adam became involved in Angel Flight West, a nonprofit, volunteer-driven organization that arranges free air travel for children and adults with serious medical conditions. An aviation enthusiast and pilot, Adam (along with his co-pilot Susan) flies patients and their families to doctor appointments enabling them to receive vital treatment that might otherwise be inaccessible.

"Our children have benefited greatly from the education they received in the Palos Verdes Peninsula Unified School District," said Adam Carroll. "We wanted to help and hopefully inspire all the students in the PVPUSD through PEF and other organizations so that all children might have the same benefits. These students are our future innovators."

THE REAL (ESTATE) VALUE OF GREAT PUBLIC SCHOOLS

Most everyone agrees that the Palos Verdes Peninsula is one of the beautiful places to live. Families are attracted to Palos Verdes because of its relaxing vibe and proximity to the ocean. But families also choose the location of their next home by where their children will go to school.

Our highly rated PVPUSD schools have a direct effect on the value of our homes. According to Redfin.com, people pay \$50+ more per square foot for homes in top-rated school districts- compared with homes in other areas.

Bill Ruth, president of the Palos Verdes Peninsula Association of Realtors, said "PVP schools are one of the community's greatest assets. Supporting our schools is an investment in our children and a sound real estate investment. I have joined PEF's Real Estate Honor Roll at the Major Donor level each year since it began to support PEF and show how valuable it is to have a great public school district in our town."

Bill Ruth of Keller Williams, Ruth & Raine Realty, is a proud PV alumni and parent. He is pictured here with his wife Deena and their children, Chase, Austin and Annie.
