PENINSULA EDUCATION FOUNDATION

Each year this wonderful array of dedicated real estate professionals joins the Peninsula Education Foundation in its goal of providing much needed funding for the Palos Verdes Peninsula Unified School District. They realize the reason so many people choose to live in Palos Verdes is because of our award-winning, highly-rated schools - all 17 of them across the Peninsula.

We are grateful for each of these professionals who join us year after year in supporting our schools.
